Dear Parents,

Thank you for enquiring about our pre-School.

We offer 3hour sessions to children from 2½ years.

The times of the sessions are as follows:

	Morning	Afternoon	All Day
Monday to Friday	08.45 to 11.45	11.45 to 14.45	08.45 to 14.45

The cost of the morning and the afternoon session are covered either by Free Early Education Funding for 2, 3 & 4 Year Olds* or payable at £20.00** per session from September 2024.

N.B. The first 5 sessions of a child's allocation will be covered by their Free Early Education Funding, or up to 10 sessions if eligible for 30hours Free Early Education.

We ask for a £50.00 (for 15hours) or £100 (over 18hours) deposit upon acceptance of their place (which will either be deducted from the first invoice) or refunded by the end the first term. A deposit is NOT required for children who are only accessing Free for Two Free Early Education Funding.

Children attending for afternoon sessions or All Day should provide their child with a packed lunch.

Would you please indicate on the application form the sessions that you would be interested in your child attending and return it to the Pre-School.

Unfortunately we cannot guarantee that the sessions you request will be available but we will endeavour to meet your requirements wherever possible.

Many Thanks; we look forward to hearing from you.
